**RE: 2-Day Notification for Gas Well Completion with Hydraulic Fracturing
Required by 40 CFR Part 60, Subpart OOOO**

To Whom It May Concern:

This notification, required by 40 Code of Federal Regulations (CFR) 60.5420, paragraph (a)(2)(i), is to inform you that we plan to perform a gas well completion with hydraulic fracturing. This is the notification that must be submitted no later than 2 days prior to the commencement of a well completion, listing the anticipated date of beginning of flowback. This gas well will be an affected source under 40 CFR Part 60 Subpart OOOO.
